

LETTER OF THANKS

Dear Ms. Sauckel,
Dear AlumniNet e.V. team,

Hereby I would like to express my sincere gratitude for the incredible support and belief you have shown in me by nominating me for the "Deutschlandstipendium" scholarship, and I am truly honored to be one of the recipients chosen.

Aside from easing my financial burden, this scholarship gave me something perhaps even more significant — a sense of dignity as this nomination made me feel my hard work and dedication have been recognized and appreciated.

At the same time, I believe this scholarship is not just a recognition of my past achievements but an incentive for my future accomplishments, and I promise to make the most of it.

Once again, I extend my heartfelt gratefulness to Ms. Sauckel and the AlumniNet team for their invaluable support and encouragement. This moment will always be cherished, and I am committed to being a worthy recipient of this generous scholarship.

Sincerely,

Nikita Kabishev
